

Filippi

v.44 r.3

Veröffentlicht am 02.06.2025

Preisliste

Preisliste für Filippi Rennboote, Para-Boote, Coastal Boote, Trainings- und Touren Boote

CORE Konfiguration

Rennboote

Performance Konfiguration

Adaptiv Boote

Coastal - Boote

Trainingsboote

Touring - Boote

Multihulls

CORE configuration

Filippi Quality: more accessible than ever.

CORE delivers the signature feel—refined, reliable, and ready to row. It's our most approachable configuration, and you can be confident its core is pure Filippi.

What's included:

Rigger

Aluminium wing rigger
Aluminium pin and backstay

Seat

Standard fixed light seat
aluminium chassis, carbon top with pad
aluminium concave rails

Foot stretcher

Carbon foot stretcher
with aluminium crossbar, U-bolts & wing plate
with plastic end caps and brackets
carbon plate
Filippi standard shoes

Construction and materials

Standard hull layout and deck design
ensuring Filippi quality

Fin and steering

Aluminium fin
Aluminium rudder
wire cable steering system

Customization

hull&decks: Filippi white - stripes: Filippi blue
PPG paints 2k polyacrylic UHS

PERFORMANCE

The configuration that sets a new standard in rowing. Only the most advanced innovations come as standard.

Rigger

Aliante monolithic
the flagship of Performance configuration
revolutionary shape&core
monolithic design

hilt, hilt holder, washer, pin
carbon/forged carbon

Seat

Monolithic seat
revolutionary shape&core
monolithic design
adjustable height, top pad in latex 3D

carbon convex rails bottom part in carbon
anodized aluminium concave rails available
as alternative

Footstretcher

Monolithic footstretcher
revolutionary shape&core
monolithic design
forged carbon end caps and brackets
carbon gunwail reinforcements if 1x
carbon plate w. foot-rotation regulation

Filippi MAS 20 shoes

Construction and materials

Specific hull layup
to increase stiffness and exploit the
advantages of monolithic components

carbon fabrics
1k, 3k, high-ultra high modulus, unidirectional
fibre, pultruded carbon, HexMC®

Filippi squared carbon fabric
high modulus carbon + standard fiber

Active foam core

zylon, honeycomb, aerospace epoxy resin,
glass fiber, 316 stainless steel bolts

PPG paints 2k polyacrylic UHS
hull&decks: Filippi white - stripes: Filippi blue

Fin and steering

Filippi carbon wing shaped fin 1x
Black anodized alum. fin 2x
aluminium fin+rudder 2-, 4x, 4-, 8+
rotor steering system
minimal and accurate steering control

Other

metric references not available for 1x
carb. shoulder protector only for 1x
forged carbon no. holder
rigger covers
boat cover

1x	2x	2-	4x	4-	8+ (sectioned)
17.255 €	28.350 €	28.175 €	43.585 €	43.820 €	71.400 €

Optional

aerodynamic wings for rigger	quoted in final price
MAS 20 quick release	+120 € per athlete
wedges set for MAS shoes	+37,50 € per athlete
custom hull & decks color	+655 € 1x +1250€ 2x, 2- +1700€ 4x, 4- +2145€ 8+
custom decks color/stripes color/stickers	+360€/ +300€/quoted in final price

Adaptive Boote

		Aliante carbon rigger	Carbon wing rigger	aluminium wing rigger
1x	skiff	15.435 €	15.435 €	13.425 €
2x	double	24.575 €	24.575 €	20.590 €
2-	pair	24.635 €	24.040 €	19.675 €
4+	coxed four	38.290 €	38.290 €	28790 €

Materials

carbon fabrics <i>1k, 3k, high-ultra high modulus, unidirectional fibre, pultruded carbon, HexMC®</i>	included
Filippi squared carbon fabric <i>high modulus carbon + standard fiber</i>	included
zylon, honeycomb, aerospace epoxy resin, glass fiber, 316 stainless steel bolts	included
PPG paints 2k polyacrylic UHS <i>hull&decks: Filippi white stripes: Filippi blue</i>	included

Footstretchers and shoes

Adaptive board with strap and heel supports, aluminium crossbar	included for 1x, 2x
standard footstretcher and crossbar	included for 2-, 4+
Monolithic footstretcher <i>forged carbon end caps and brackets</i>	+125€ each for 2-, 4+
carbon plate w. foot-rotation regulation	+78€ each
Filippi MAS 20 shoes	included with standard footstretcher
wedges set for MAS shoes	+37,5€ per athlete

Aliante riggers components

aeronautical aluminium 7075 hilt, hilt holder, pin <i>adjustable locking for lateral and longitudinal pin setting</i>	included
wedges for rigger height adjustment	included
Concept2 oarlocks with bushers	included

Wing riggers components

titanium grade 5 pins	included
aluminium backstay	included
Concept2 oarlocks with bushers	included
washers for oarlock height adjustment	included
carbon backstay	+280€ each
washers for pin lateral/longitudinal setting	+20€/ +12€ per pin

Customization

custom hull & decks color	+655€ 1x +1250€ 2x, 2- +1700€ 4+
custom decks color/stripes color/stickers	+375€/ +325€/ quoted in final price

Seats and rails

carbon seat with backrest, belts, anodized rails	included for 1x
carbon seat with belts and anodized rails	included for 2x
standard seat <i>available with adj. height*</i>	included for 2-, 4+
aluminium rails <i>plastic bottom part</i>	included for 2-, 4+ concave or convex
Monolithic seat <i>adj. height, latex 3D pad</i>	+113€ each
carbon convex rails <i>carb. bottom part</i>	+235€ per seat

Fin

aluminium fin <i>with rudder if applicable</i>	included
---	----------

Section

Section for 4+*	+2620€
-----------------	--------

Boat prices

1x	2x	4x+ coxed quadruple scull
10.475 €	15.950 €	25.525 €

Included in boat price

Hull materials

carbon fabrics 1k, 3k, high-ultra high modulus, unidirectional fibre, pultruded carbon, HexMC®
honeycomb, aerospace epoxy resin, glass fiber, 316 stainless steel bolts
PPG paints 2k polyacrylic UHS hull&decks: Filippi white stripes: Filippi blue

Seat and rails

carbon top seat
stainless steel 316L chassis with adj. height
concave wheels
pad in 3 different heights quickly attach/detach with VELCRO® technology ideal to quickly change seat height in a shared boat
additional top foam layer for max comfort
hard anodized aluminium convex rails better seat sliding the shape doesn't keep dirt inside the rails
hand knobs between rails and decking for rails position adjustment eliminating the hole of the decking to access the inner boat, improving overall insulation

Rigger

Carbon riggers innovative shape that better exploit athlete's thrust Perpendicular extension to maximise lateral space and facilitate athlete enter/exit
hilt, hilt holder, washer anodized aluminium Pin 316 stainless steel
rails with slots to quickly set 3 different work line positions
Concept2 oarlocks with bushers
washers for oarlock height adjustment
removable clips for quick oarlock height adjustment

Fin

Fin	1x, 2x
Removable fin	4x+
In 1x and 2x the fin box is compatible with all US Box fins	

Shoes and footstretcher

TPU shoes covering all foot sizes custom size set by sliding and locking bottom heel section and top section
flexible heel support follow foot movement during all stroke phases
shape designed for a rapid foot enter/exit enhancing safety and eliminating the need of a safety system
carbon footstretcher and crossbar quick positioning adjustment

Accessories

Carbon handle for exit support
Stainless steel bow bitt
Wavebreaker
Bow stem protection

Optional

MAS - Filippi rowing shoes	+241 € per athlete
wedges set for MAS shoes	+37,5 € per athlete
custom hull & decks color	+655€ 1x +1250€ 2x, 2- +1700€ 4+
custom decks color/stripes color/stickers	+260€/ +325€/quoted in final price

		designed for	rigger configuration	length	athlete target	
1x	FT1	river/lake	aluminium wing	6.50m	-	4.100 €
1x	FT2	river/lake	aluminium wing	7.20m	-	4.100 €
1x	FT3	river/lake	aluminium wing	8.10m	-	4.285 €
1x	FT4	river/lake and sea	carbon	4.30m	6-10 years old	3.715 €
1x	Canoé	river/lake	regular World Rowing light alloy stay	7.00m	-	4.975 €
2x	Double canoé	river/lake	regular World Rowing light alloy stay	8.00m	-	7.735 €

Materials

Fiberglass, glass mat, vinyl ester resin	included
316 stainless steel bolts	included

Footstretcher and shoes

marine plywood and carbon fiber foot stretcher, aluminium crossbar	included
strap and heel supports for foot stretcher	included
Filippi MAS 20 shoes	+241 € <i>per athlete</i>
wedges set for MAS shoes	+37,50€ <i>per athlete</i>

Rigger components

Concept2 oarlocks with bushers	included
316 stainless steel pins	included
washers for oarlock height adjustment	included
washers for pin lateral/longitudinal setting	+20€/ +12€ <i>per pin</i>

Seat and rails

seat with carbon top	included
hard anodized aluminium rails	included

Fin

aluminium fin	included
fin incorporated into keel design	included if FT4

Customization *FT1, FT2, FT3, canoé, double canoé*

Corporate painting: Filippi white <i>Neopentyl gelcoat</i>	included
Custom hull and decks color	+620€
Decorative stickers	quoted in final price

Customization *FT4*

Corporate painting Filippi white hull, blue RAL 5015 deck & inners <i>Neopentyl gelcoat</i>	included
Custom deck and inner color <i>Neopentyl gelcoat</i>	white/yellow/green orange/violet light turquoise/light grey included
Decorative stickers	quoted in final price

Touring - Boote

rigger configuration			
4+	YOLE - coxed four	aluminium wing	25.110 €
4+	GIG	aluminium standard	17.935 €
4x+/5x	GIG	aluminium Aliante	30.940 €

Materials

carbon fabrics <i>1k, 3k, high modulus, very high modulus, extremely high modulus, unidirectional fibre, pultruded carbon</i>	included
aerospace epoxy resin, glass fiber	included
Honeycomb sandwich	included for GIG
PVC foamed sandwich	included for YOLE
316 stainless steel bolts	included

Riggers components GIG

Concept2 oarlocks with bushers	included
7075 aeronautical aluminium pins	included
Washers for oarlock height adjustment	included

Riggers components YOLE

Concept2 oarlocks with bushers	included
A4 stainless steel pins	included
Washers for oarlock height adjustment	included

Customization

Corporate painting Filippi white hull and decks, Filippi blue stripes <i>Neopentyl gelcoat</i>	included
Custom hull and decks color	+1700 €
Custom decks color	+375 €
Custom stripes color	+300 €
Decorative stickers	quoted in final price

Foot stretchers and shoes

Marine plywood and carbon fiber foot stretcher, carbon crossbar	included
MAS - Filippi rowing shoes	included
wedges set for MAS shoes	+37,5 € per athlete

Seats and rails

Hard anodized aluminium rails	included
Traditional seat	included

Fin

Stainless steel fin and rudder	included for GIG
Marine plywood and carbon fiber fin and rudder	included for YOLE

Multihulls

Trimaran	14.915 €
Trimaran with outboard motor	quoted in final price
Trimaran with electric outboard motor	quoted in final price

Materials

Fiberglass, glass mat	included
High quality plexiglass	included
316 stainless steel bolts	included
A4 stainless steel	included
Protective edge	included

Customization

Corporate painting: Filippi white <i>Neopentyl gelcoat</i>	included (standard option)
Custom painting <i>Neopentyl gelcoat</i>	included
Decorative stickers	quoted in final price

Construction

Capacity	up to 4 people
Railing of over 1m <i>maximum safety of people on board</i>	included
Anti-sinking system <i>watertight lockers in 3 bulkheads with inspection caps</i>	included
Stern rudders <i>maneuverability and superior stability when turning</i>	included
Central hull <i>water flow optimized</i>	included
Optimized design <i>to minimize wave formation</i>	included
Front dashboard with adjustable horizontal positioning	included
Fenders	included (n.4)
